

Customer Reception Plan

Doc No.: BWI-2025-BD-012 | Prepared by: Business Development Department | Date: May 4, 2025

I. Plan Background

To promote the strategic cooperation between our Company and Vision Tech Solutions Pvt. Ltd. (hereinafter referred to as "Vision Tech") in the fields of artificial intelligence and big data analytics, and following preliminary communication and consultation between both parties, Vision Tech intends to send a technical delegation of three persons to visit our R&D headquarters located in Faridabad, Haryana, India, from May 7 to May 8, 2025, to conduct in-depth consultations on the specific implementation plan, technical roadmap, and resource allocation of the joint R&D project.

This visit represents the second formal technical engagement between the two parties since the initial cooperative exchange in May 2024, and is of great significance for consolidating and deepening the cooperative relationship. Based on the results of the initial exchange in 2024 and subsequent cooperation progress, both parties have initially reached a joint R&D intention. The purpose of this visit is to further refine the cooperation plan and sign a phased cooperation agreement.

II. Reception Objectives

- (1) Conduct in-depth discussions with the Vision Tech delegation on the technical plan for the joint R&D project, clarifying the division of responsibilities, timelines, and milestones for each party;
- (2) Showcase our Company's R&D achievements and experimental facilities in relevant technical fields to enhance cooperation confidence;
- (3) Negotiate business terms including project budget, resource allocation, and IP ownership;
- (4) Sign a Memorandum of Cooperation or phased agreement (if conditions are ripe);
- (5) Enhance mutual understanding between the two teams to lay the foundation for subsequent long-term cooperation.

III. Visiting Client Information

Visiting Organization: Vision Tech Solutions Pvt. Ltd.

Client Origin: Gurgaon, Haryana, India

Purpose of Visit: Joint R&D project technical engagement and cooperation consultation

Number of Visitors: 3

Visitor List:

1. David Chen — Technical Director, responsible for technical roadmap review of the joint R&D project
2. Sarah Liu — Senior Project Manager, responsible for project coordination and schedule management
3. Michael Wang — Senior R&D Engineer, responsible for core technical solution design

IV. Reception Schedule

May 6, 2025 (Tuesday) — Reception Preparation Phase:

Mr. Rajesh Malhotra, Senior Manager of our Business Development Department, shall depart from Faridabad to Gurgaon in the afternoon to conduct preliminary liaison with the visiting clients, confirm the details of the visiting agenda, verify the clients' accommodation arrangements, and reach agreement with the clients on the transportation plan for the following day. This step is designed to ensure the smooth execution of the formal exchange days.

May 7, 2025 (Wednesday) — Formal Exchange Day:

In the morning, Mr. Rajesh Malhotra shall proceed to Gurgaon to welcome the three clients and return to our Faridabad headquarters by vehicle. Upon arrival, Dr. Suresh Kumar, General Manager of the Company, and Mr. Amit Singh, Project Director, along with the reception team, shall formally welcome the visiting clients. The day shall be arranged with technical seminars, laboratory tours, and proposal discussions.

May 8, 2025 (Thursday) — Cooperation Deepening and Farewell Day:

The morning shall continue with discussions on outstanding topics, and the afternoon shall complete the Memorandum of Cooperation signing ceremony (if applicable). In the evening, the clients shall be arranged to return to Gurgaon by vehicle, concluding this visit.

V. Reception Personnel Arrangements

A total of 4 staff members from our Company shall participate in this reception. Specific assignments are as follows:

1. Rajesh Malhotra

Position: Manager

Responsibilities: Client liaison, transportation arrangement, full accompaniment, and logistics support

2. Amit Singh

Position: General Staff

Responsibilities: Technical seminar hosting, cooperation proposal presentation, and business term negotiation

3. Priya Sharma

Position: General Staff

Responsibilities: Laboratory tour explanation, technical solution demonstration, and technical detail coordination

4. Nikhil Gupta

Position: General Staff

Responsibilities: Meeting minutes, document organization, and follow-up item consolidation

Approver: Dr. Suresh Kumar

Position: General Manager

VI. Transportation Arrangements

Given that the number of visiting clients is 3 and the transportation distance between Gurgaon and Faridabad is moderate, taxi services shall be adopted for this client pickup and drop-off. Specific arrangements are as follows:

(1) Evening of May 6: Arrange a vehicle for Rajesh Malhotra to travel from Faridabad to Gurgaon to conduct preliminary liaison with the clients and confirm the next day's itinerary;

(2) Morning of May 7: Arrange a vehicle departing from Gurgaon to pick up the three clients and our accompanying personnel Rajesh Malhotra and transport them to the Faridabad headquarters;

(3) Evening of May 8: Arrange a vehicle to transport the three clients from Faridabad back to Gurgaon.

Note: In accordance with the Company's Travel and Transportation Expense Reimbursement Policy, reasonable transportation expenses incurred for picking up and dropping off clients for business purposes are within the reimbursable scope. Related expenses shall be prepaid by the handling personnel Rajesh Malhotra and reimbursed afterwards with valid invoices through the prescribed procedures. The client return trip on May 8 shall be delivered by the driver alone without Company accompanying personnel.

VII. Work Agenda

15:00—16:00 Free Exchange and Photo Session

After 16:00 Clients return to Gurgaon

VIII. Budget Overview

The main expense categories involved in this reception include:

- (1) Client pickup and drop-off transportation expenses (taxi services between Gurgaon and Faridabad);
- (2) Working meal expenses during the reception period;
- (3) Other reasonable expenses incurred for business purposes.

Specific expense details shall be reimbursed based on actual occurrence after the reception concludes, strictly in accordance with the Company's relevant financial management policies.

IX. Risk Contingency Plan

- (1) Traffic Delay Risk: In case of unexpected situations such as traffic congestion or vehicle breakdown, the backup contact person Nikhil Gupta shall coordinate alternative transportation arrangements;
- (2) Itinerary Change Risk: If the client temporarily adjusts the visit time or agenda, Rajesh Malhotra shall communicate with Company management at the earliest opportunity and make corresponding adjustments;
- (3) Information Security Risk: Demonstration sessions involving core technical materials must obtain approval from the Information Security Department in advance to ensure that sensitive information is not disclosed.
