

Office Supplies Procurement and Reimbursement Policy

Doc No.: BWI-FIN-POL-006 | Version: V1.3 | Effective Date: March 1, 2024 | Prepared by: Administration Dept., Finance Dept.

Chapter I General Provisions

Article 1

These Regulations are formulated in accordance with the company's financial management system to standardize the procurement and reimbursement management of office supplies of Boyuan Technology Research (India) Pvt. Ltd. (hereinafter referred to as the "Company"), reasonably control administrative costs, and improve procurement efficiency.

Article 2

The term "office supplies" as used in these Regulations refers to various consumable materials and low-value durable goods required for the daily operation of the Company, including but not limited to: writing instruments (pens, markers, pencils, etc.), paper and printing consumables (printing paper, ink cartridges, toner cartridges, etc.), document management supplies (folders, file boxes, labels, etc.), desktop supplies (staplers, calculators, scissors, etc.), cleaning supplies (hand sanitizer, tissue, garbage bags, etc.), and small office equipment (USB drives, mice, keyboards, and other items with unit prices below the prescribed standard).

Article 3

These Regulations apply to the procurement and reimbursement activities of office supplies for the daily office needs of all departments of the Company.

Chapter II Procurement Approval

Article 4

Office supplies procurement shall be subject to pre-approval. Each department shall submit its office supplies requirements list for the following month before the 25th of each month, which shall be reviewed by the department head and then submitted to the Administration Department for consolidation.

Article 5

The Administration Department shall compile a monthly procurement plan based on the requirements lists from all departments. The plan shall be executed after approval by the head of the Administration Department. For single procurements within the approval authority of the Administration Department, approval by the head of the Administration Department is required; for those exceeding the approval authority, approval by the General Manager is required.

Article 6

Urgent procurement needs (e.g., emergency replacement of parts due to sudden failure of office equipment) may be directly requested by the using department. Such procurement shall be executed after dual approval by the department head and the Administration Department, with complete approval procedures to be completed afterwards.

Chapter III Reimbursement Procedures

Article 7

Office supplies procurement reimbursement shall follow the procedures below:

Step 1: Procurement Completion Confirmation — After completing the procurement, the purchaser shall submit the purchased items to the Administration Department for warehouse receipt and inspection to confirm that the quantity and specifications of the items are consistent with the procurement list.

Step 2: Submit Reimbursement Materials — The purchaser shall fill out the "Expense Reimbursement Application Form", attach the procurement approval form, official invoice or receipt, warehouse receipt and inspection form, and other materials, and submit them to the department head.

Step 3: Department Head Review — The department head shall review the necessity and reasonableness of the procurement. After confirming that there are no errors, the department head shall sign an opinion and transfer the materials to the Finance Department.

Step 4: Finance Department Review and Payment — The Finance Department shall review the completeness of the reimbursement materials, the validity of the invoices, and the accuracy of the amounts. After the review is passed, the reimbursement amount shall be paid to the designated account of the purchaser according to the company's payment procedures.

Article 8

Bulk procurement (single procurement involving more than ten categories or a large total amount) shall be accompanied by a detailed procurement list and price comparison explanation.

Chapter IV Invoice and Voucher Requirements

Article 9

Invoices submitted for office supplies procurement reimbursement shall contain the following information: (1) Seller's name and contact information; (2) Procurement date; (3) Item name, quantity, unit price, and total amount; (4) Payment method and amount.

Article 10

Acceptable invoice types include official machine-printed invoices, electronic invoices, and official commercial receipts. Handwritten receipts are not accepted.

Article 11

If the procurement is completed through an online platform, a platform-generated order detail screenshot or electronic invoice shall be provided as the reimbursement voucher.

Chapter V Reimbursement Time Limits and Archiving

Article 12

Office supplies procurement reimbursement shall be submitted within fifteen working days after the procurement is completed. Overdue submissions shall be accompanied by a written explanation.

Article 13

All reimbursement materials shall be archived and preserved by the Finance Department. The preservation period shall be in accordance with the company's records management system.

Chapter VI Supplementary Provisions

Article 14

These Regulations shall be interpreted and revised by the Administration Department and the Finance Department jointly.

Article 15

These Regulations shall take effect from the date of issuance.
