

Customer Reception Activity Approval Form

Doc No.: BWI-2024-APR-005 | Applying Department: Business Development Department | Application Date:
May 10, 2024

I. Application Matter

Applicant: Rajesh Malhotra

Position: Senior Business Development Manager

Application Purpose: Reception of Vision Tech Solutions Pvt. Ltd. technical delegation visit

II. Visit Overview

Visiting Organization: Vision Tech Solutions Pvt. Ltd.

Client Origin: Gurgaon, Haryana, India

Number of Visitors: 2

Visit Period: May 14 to May 16, 2024 (3 days)

Purpose of Visit: First cooperation exchange, evaluate cooperation feasibility, explore joint R&D directions

Visitors:

1. David Chen — Technical Director
2. Sarah Liu — Senior Project Manager

III. Reception Arrangements

Our Reception Personnel:

1. Dr. Suresh Kumar — General Manager
2. Rajesh Malhotra — Senior Manager, Business Development Department
3. Amit Singh — Project Director

Transportation Arrangements:

(1) Evening of May 14: Arrange a vehicle for Rajesh Malhotra to travel from Faridabad to Gurgaon to conduct preliminary liaison with the clients;

(2) Morning of May 15: Arrange a vehicle departing from Gurgaon to transport the two clients and our accompanying personnel to the Faridabad headquarters;

(3) Afternoon of May 16: Arrange a vehicle to transport the two clients from Faridabad back to Gurgaon.

Note: Transportation expenses shall be prepaid by the handling personnel Rajesh Malhotra and reimbursed afterwards with valid invoices through the prescribed procedures. No Company personnel shall accompany the clients on their return trip.

IV. Expense Category Description

This reception is expected to involve the following expense categories:

(1) Client pickup and drop-off transportation expenses (chartered vehicle services between Faridabad and Gurgaon);

(2) Working meal expenses during the reception period;

(3) Other reasonable expenses incurred for business purposes.

All expenses shall be strictly executed in accordance with the Company's Travel and Transportation Expense Reimbursement Policy and reimbursed based on actual expenses.

V. Application Justification

Vision Tech Solutions Pvt. Ltd. has significant advantages in cloud computing infrastructure and customer channels, which are highly complementary to our Company's technical accumulation in AI algorithm R&D. This visit represents an important starting point for establishing a strategic cooperative relationship between both parties, and is of strategic significance for expanding our business areas and enhancing technical competitiveness. Through this first face-to-face exchange, both parties will evaluate the feasibility of cooperation and lay the foundation for subsequent joint R&D projects.
